GLX Technology™: An ultracharged formula matrix that helps infuse the anti-aging benefits of a glycolic compound bound with antioxidants deep into the skin

VIVITÉ®: FACE

VIVITÉ® Vibrance Therapy

Restorative, antioxidant-rich cream **without hydroquinone**. Specially formulated to help brighten and even skin tone while helping to reduce the appearance of fine lines and wrinkles in just 8 weeks.³

- **GLX Technology™**
 - Superoxide dismutase
 - Methyl dihydroxy-benzoate (reduces pigmentation)
 - Licorice root extract
 - Mulberry fruit extract
 - Grape extract
 - Green tea extract
 - Lycopene
 - Olive leaf extract
 - Fennel seed extract
 - Vitamin C
 - Vitamin E
 - Retinol
 - Soy isoflavones
- Contains 15% glycolic compound.

VIVITÉ® Daily Antioxidant Facial Serum*

Provides antioxidant protection to help fight premature aging and delivers a regular application of glycolics to help hydration and renovation of the top layer of skin.

- **GLX Technology™**
 - Olive leaf extract
 - Pomegranate
 - Green tea extract
 - Chamomile
 - Licorice root extract
 - Aloe
- Contains 15% glycolic compound.

VIVITÉ® Daily Facial Moisturizer with Sunscreen SPF 30

A light daily moisturizer that helps to create a protective barrier to help shield from damaging UVA/UVB rays. At the same time, it penetrates deep into the dermis to help deliver nourishing glycolic acid and antioxidants for healthy, vital-looking skin.

- **GLX Technology™**
 - Olive leaf extract
 - Pomegranate
 - Vitamin C
 - Vitamin E
 - Green tea extract
 - Licorice root extract
 - Superoxide dismutase
 - Sunscreens: octinoxate, oxybenzone, octisalate
- Contains 12% glycolic compound.

VIVITÉ® Night Renewal Facial Cream*

An extra-rich formulation that helps promote overnight maintenance and aids in the repair of the skin.

- **GLX Technology™**
 - Olive leaf extract
 - Vitamin C
 - Vitamin E
 - Superoxide dismutase
 - Wild mango butter
- Contains 20% glycolic compound.

VIVITÉ® Replenish Hydrating Cream

Helps restore skin suppleness and smoothness with a superhydrating formulation. Helps calm and soothe sensitive skin.

- Superoxide dismutase
 - Green tea extract
 - Chamomile
 - Vitamin C
 - Vitamin E
- Contains no glycolic compound.**

VIVITÉ® Replenish Hydrating Facial Cleanser

Helps remove daily residue, makeup, and oil with an unscented, soap-free formulation. Leaves skin clean and soft.

- Humectants
 - Chamomile
- Contains no glycolic compound.**

VIVITÉ® Exfoliating Facial Cleanser*

Helps loosen the unproductive top layer of skin so you can scrub it away and reveal fresh, new skin.

- Salicylic acid
- Exfoliating microbeads

Contains 15% glycolic compound.

VIVITÉ® Daily Facial Cleanser

Helps loosen surface oil and other impurities, gently helps exfoliate, and applies proven anti-irritants and rich humectants for fresh, moist skin. This is a multipurpose formulation mild enough for regular use.

- Salicylic acid
 - Humectants
- Contains 12% glycolic compound.

VIVITÉ® Glycolic Chemical Facial Peel Kit

Specifically designed to be used as an in-office procedure. Its advanced formulation helps improve overall skin clarity and smoothness and helps reduce the appearance of fine lines and wrinkles. **Ask your skin care provider for details about this procedure.**

- **GLX Technology™**
- Contains 70% glycolic compound.

VIVITÉ®: EYES AND LIPS

VIVITÉ® Defining Lip Plumper

Helps improve the appearance of lip volume, fullness, and fine lines and wrinkles. Gentle conditioners help make lips smooth and soft, while soothing botanicals help protect against environmental stressors.

- Chamomile
- Green tea extract
- Vitamin E
- Aloe
- Plumping ingredients: ethylhexyl palmitate, tribehenin, sorbitan, isosteate, palmitoyl oligopeptide

VIVITÉ® Revitalizing Eye Cream*

Specially formulated to help reduce the appearance of fine lines and wrinkles in the sensitive areas around the eye, as well as help minimize the appearance of dark circles.

- **GLX Technology™**
 - Olive leaf extract
 - Interference pearls
 - Peptides
 - Caffeine
- Contains 10% glycolic compound.

VIVITÉ® Daily Firming Lotion

Helps tone and tighten to help improve the appearance of dimpled "orange peel" skin for a smooth, sleek look. This advanced formulation helps hydrate and moisturize to keep skin soft and supple.

- **GLX Technology™**
 - Caffeine
 - Olive leaf extract
- Contains 15% glycolic compound.

VIVITÉ®: BODY

*This is part of the VIVITÉ® Core System—4 products that serve as the foundation for any advanced skin care regimen.

Use a sunscreen with an SPF of 15 or higher every day to prevent an increase in sun sensitivity.

For maximum results, use all VIVITÉ® products as a unified routine. Products can also be used individually.
