

FOR DRY OR SENSITIVE SKIN

# VIVITÉ® REPLENISH SYSTEM

YOU CAN CUSTOMIZE CARE FOR COMPROMISED SKIN WITH THESE FOUR PRODUCTS FROM THE VIVITÉ® LINE

**The VIVITÉ® Replenish System is designed to revitalize, protect, and rejuvenate**

- Seasonally dry skin
- Dry skin due to use of facial products or procedures
- Naturally sensitive skin in need of hydration and moisture

### VIVITÉ® Replenish Hydrating Facial Cleanser

Helps remove daily residue, makeup, and oil with an unscented, soap-free formulation. Leaves skin clean and soft. To be used twice daily, morning and evening. Apply 1 to 2 pumps to moistened skin.

Contains *no* glycolic compound.

#### Key ingredients:

- Humectants: Help improve the skin's ability to retain water and maximize firmness
- Chamomile: Calming and soothing agent

### VIVITÉ® Replenish Hydrating Cream

Helps restore skin suppleness and smoothness with a superhydrating formulation. Helps calm and soothe sensitive skin. To be used once or twice daily. Apply a pea- to dime-sized amount to cleansed skin.

Contains *no* glycolic compound.

#### Key ingredients:

- Superoxide dismutase: A leading-edge antioxidant, helps trap free radicals
- Green tea extract: Free-radical blocker, helps block UV rays
- Chamomile: Calming and soothing agent
- Vitamin C: Clenches free radicals, helps regenerate vitamin E
- Vitamin E: Scavenges free radicals, helps protect cell membrane from destruction

### VIVITÉ® Daily Antioxidant Facial Serum

Provides antioxidant protection to help fight premature aging and delivers a regular application of glycolics to help hydration and renovation of the top layer of skin. To be used once daily, in the morning. Apply 1 to 2 pumps to cleansed skin.

Contains 15% glycolic compound.

#### Key ingredients:

- **GLX Technology™**: Glycolic compound bound with antioxidants that is clinically proven to help rejuvenate and protect the skin
- Olive leaf extract: Powerful protection to help against environmental stressors
- Pomegranate: Rich in vitamin C, helps with free-radical protection
- Green tea extract: Free-radical blocker, helps block UV rays
- Chamomile: Calming and soothing agent
- Licorice root extract: Helps brighten skin
- Aloe: Helps soothe skin

### VIVITÉ® Revitalizing Eye Cream

Specially formulated to help reduce the appearance of fine lines and wrinkles in the sensitive areas around the eye, as well as help minimize the appearance of dark circles. To be used twice daily, morning and evening. Apply a rice grain-sized amount to the under-eye area.

Contains 10% glycolic compound.

#### Key ingredients:

- **GLX Technology™**: Glycolic compound bound with antioxidants that is clinically proven to help rejuvenate and protect the skin
- Olive leaf extract: Powerful protection to help against environmental stressors
- Interference pearls: Diffuse light and help brighten the appearance of dark under-eye circles
- Peptides: Help tighten skin
- Caffeine: Helps reduce puffiness

The VIVITÉ® Replenish System offers physicians and medical aestheticians an opportunity to customize a calming, conditioning, soothing skin care regimen that meets each patient's individual needs.
